

YOUTH SUMMIT 4H 2014

BY DANIEL SILVER

The very first thing I did was go meet with the County Manager, Chuck Vines.

We discussed what all he did, the role he played, and the decisions he had to make.

Then he took me to the Finance Office and told me what all they do and how they can help.

HE ALSO INTRODUCED ME TO THE REGISTER OF DEEDS. THIS IS WHERE ALL THE DEEDS AND BIRTH CERTIFICATES ARE ALL KEPT.

**LASTLY, HE TOOK ME IN THE BOARD MEETING ROOM,
WHERE I ASKED HIM ALL THE QUESTIONS I HAD
PREPARED FOR HIM.**

He also explained in detail what all he does in his job year round, how he got it his job, and what inspired him to run for it.

**THE FOLLOWING DAY I
WENT TO THE COUNTY
COMMISSIONERS
MEETING WHERE I MET
THE COMMISSIONERS. I
TOLD THEM WHO I WAS
AND THE REASON I
WAS AT THE MEETING.**

One of the issues brought up that night was public safety issue at the local high school track. Some big dogs were harassing citizens. The commissioners discussed the matter openly. The school superintendent will present this issue to the school board.

AT 4H CONGRESS 2014 I WENT TO OUR STATE LEGISLATIVE BUILDING WHERE I MET OUR REP. RALPH HISE. WE ASKED HIM A LOT OF QUESTIONS, ALSO ABOUT A BILL THAT IS BEING PRESENTED TO THEM.
