### My County Commissioner Meeting Report

My name is Aaron Clark, I am 14 years old, and a citizen of Hoke County. I have been in 4-H since 5 years old, accomplished many things, and experienced many things, but nothing quite like this. I attend my first commissioners meeting on Monday July 6, 2015 at 7:00 p.m.

During my first commissioners meeting Commissioner Southerland lead the group in the invocation and pledge. The commissioners discussed the zoning ordinance issue, and the board highly recommended the approval of the new laws. They also discussed the minutes from the last meeting which was held on June 1, 2015, as well as propose fees for the Health Education and Environmental fees. Later on during the meeting the manager's report was given and there was a time for public input. One citizen discussed the importance of our senior citizens safety in their homes. After that the session was closed and the meeting was adjourned.

I enjoyed my first county commissioners meeting; it was great to meet my commissioners. I hope to be involved in more things within my community, and was an unforgettable experience, hopefully in the near future I will be able to take part in another county commissioners meeting.
